Where: Tequila Grille, 63 Still Road, Monroe, NY 10950

Speaker: Michael McGurty

Topic: **The Newburgh Conspiracy**

The Newburgh Conspiracy was a dramatic incident that occurred at the close of the Revolutionary War. General Washington's Continental officers stationed at the New Windsor Cantonment were extremely frustrated by the failure of Congress to pay long overdue back wages and pensions. They plotted to take action that would jeopardize a successful conclusion of the war effort. Learn about the General's decisive response that rescued the war effort from collapse as the nation awaited the signing of the treaty confirming the British surrender.

Our speaker, Michael McGurty, Manager of the New Windsor Cantonment, will be providing us with a thoroughly absorbing talk and slide show presentation.
